

ET4351 labs report

STUDENT LASTNAME, FIRSTNAME

NETID

COURSE CODE

ET4351

Description

You are required to submit a single report that addresses questions on each of the three labs. Each student should make this submission individually, with the deadline set for **Friday, March 7, before 23:59**. The main body of the report should not exceed 3 pages excluding figures. All figures should be included in an Appendix, for which there is no page limit. Below, you'll find a compilation of all the questions. For clarity, some of these have been rephrased or supplemented with additional explanations (refer to "ET4351 Lab Report Requirements & Questions"). Please follow the guidelines below before submitting your report on BrightSpace.

Guidelines

We ask you to strictly follow the following guidelines:

- Format: Word (.docx)
- Font size: 11
- Police: Calibri (body)
- Length: maximum of 3 pages for the **text** answer of all **three** labs (excluding figures) + no page limit for the figures.
- You can reshape the question boxes according to your answer size.
- Refer to the file "ET4351_Report_Questions.pdf" for the questions you have to answer.
- Check the checkbox at the end of this document to ensure that you did this report individually.
- Deadline: 7 March at 23:59 CET

Lab1: Project Baseline with PicoSoC

Question 1.1

Question 1.2

Question 1.3

DISCLAIMER

This report is individual and formative. It aims to assess your knowledge and detect potential errors or gaps that will allow us to help you better for the project phase. It is therefore very important that you to do it individually.

☐ I certify that I have done this report individually.
